## **Session Format**

Each week an online meeting link will be emailed to students. Please sign on promptly at 7:00pm on Thursdays so we can best use our time together. You will need a device with a stable internet connection, camera, and microphone. You don't need an external microphone, though one can vastly improve your output audio quality.

Two guest musicians will join us during this term (to be determined based on our registration instrumentation).

**Important notes**

- All sessions will be screen recorded and posted to unlisted to YouTube, so if you have to miss a session you will still be able to catch up later on your own as you wish.
- **DO NOT share** the weekly-emailed link to our sessions. This is extremely important for safety – we do not want to be “bombed!”
- And further to avoid bombing, **only the name/email address you provide on the registration form will be allowed to enter the sessions each week.** Your name on the account should clearly indicate who you are (*Jane Doe*, not “Skippy” <blueastroid04@me.ca>).
